WORK EXPERIENCE

Software Developer, Flutter, Pauprix Pharmacy

Ikorodu, Lagos (Remote) | September 2024 - Current

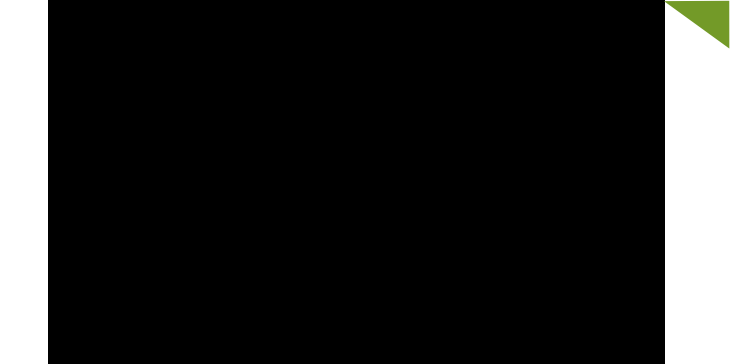

- Improved software efficiency by troubleshooting and resolving coding issues.
- Saved time and resources by identifying and fixing bugs before product deployment.
- Collaborated with cross-functional teams to deliver high-quality products on tight deadlines.
- Enhanced user experience through designing and implementing user-friendly interfaces.
- Optimized application performance by conducting regular code reviews and refactoring when necessary.
- Participated in software field testing to verify performance of developed projects.
- Designed customized solutions for proposals to potential customers.
- Developed software for web and mobile operating systems.
- Achieved faster development cycles using Agile methodologies, including Scrum or Kanban processes.
- Collaborated on stages of systems development lifecycle from requirement gathering to production releases

Internship, DriveLink

Ikeja, Lagos, Nigeria (Remote) | July 2024 - Current

- Supported staff members in their daily tasks, reducing workload burden and allowing for increased focus on higher-priority assignments.
- Gained valuable experience working within a specific industry, applying learned concepts directly into relevant work situations.
- Handed aid in testing API configuration.
- Analyzed problems and worked with teams to develop solutions.
- Utilized strong communication abilities during presentations which led to increased understanding among colleagues regarding project goals and objectives.
- Gained hands-on experience in various software programs, increasing proficiency and expanding technical skill set.
